

COVID -19 Update (until further notice)

The following procedures have been implemented to safeguard all passengers while traveling with us.

DISTANCE BROTHERS Procedures:

1. All units will be thoroughly sanitized prior to each trip, with CDC approved disinfectants.
2. All units are equipped with “touchless” hand sanitizer dispensers at the entrance.
3. Drivers will wear PPE and maintain social distance when practical.
4. Driver will sanitize the unit prior to each boarding, during trips.
5. Social distancing between passengers will be encouraged, to the extent possible.
6. All passengers are required to use hand sanitizer upon each boarding (Sanitizer mounted by door)

Suggestions for our Charter Groups:

1. Remind your guests to refrain from traveling if they are feeling ill.
2. Request all passengers to take their temperature on the day of the scheduled departure, and refrain from traveling if fever is detected.
3. Encourage your guests to wear masks*, wash their hands frequently and use hand sanitizer before disembarking and again upon re-boarding.

***Masks must be worn when mandated by local government during the dates posted*

Thank-you for your cooperation during this time!
